No. RBSS/G.B./2020-21/21-30

Date: 14.04.2020

APPEAL

REG.: "Request for Donations/ Voluntary Contributions"

The Raisina Bengali School fraternity wishes all the guardians/ parents and students a very happy and prosperous "SUBHO NABABARSHO" as well as safe health and secure future during this time of unprecedented crisis facing the entire globe.

As is known to all esteemed parents/ guardians, the Society, being charitable in nature and two aided schools at Mandir Marg and Chittaranjan Park; are largely dependent on the regular donations/ voluntary contributions made by them to efficiently run and manage the schools. During the last one month or so, the closure of the schools, due to the COVID-19 lockdown; has effectively stopped the collection of such donations/ voluntary contributions. As a result, the school managements have plunged in a deep financial crunch causing serious impediments in meeting even the basic statutory expenses.

In order to enable the school managements to tide over the severe fund crisis during this turbulent period, an earnest "APPEAL" is hereby made to all the parents/ guardians to come forward to help the schools and donate/ contribute generously through various ONLINE/ DIGITAL BANKING MODES (NEFT/RTGS/IMPS etc.) as per the following details.
