

HOLIDAY HOMEWORK

SCIENCE For Std 5

- 1. Germinate some seeds (chana, matar or rajma) in a small pot and observe
- different stages of germination.
- 2. Make a chart on STAGES OF GERMINATION
- 3. Make a cap with 1/2m long ears/horns (use news paper)
that cap will help you to maintain at least 1m distance from another person)

Stay safe and enjoy holidays.

Teacher: Mrs. Durba Roy
