

Dear students,  
Good morning .  
Study materials for today (04th May, 2020) :

1. Topic 8.5.2 Equation for Position-time relation .

2. Topic 8.5.3 Equation for Position-Velocity relation .

3. Go through the video clips again and do the following :

1. Write all the 3 equations of motion with the descriptions of the  $u$ ,  $v$ ,  $a$ ,  $t$  and  $s$  .

2. Practice two times the 2nd and 3rd equation of motion with graphical representations and derivations (no need of graph paper) .

Home work will be uploaded by 6 pm ( Tuesday, 05th May) .

That's all for today .
